The Who, What and Why of ECI

The Employers’ Council of Iowa (ECI) is an advisory group, located in each Iowa Workforce Development region. ECI offers a no-cost membership open to all businesses in the community. The Marion County ECI chapter meets every other month at 11:30 am at the Pella Pizza Ranch to learn and share ideas on critical Human Resources (HR) needs and network with HR professionals from other area companies. Professionals and business owners who work directly with human resource matters are encouraged to attend each session. April’s meeting will focus on the Who, What and Why of ECI. If you are unfamiliar with the ECI, this session is a great opportunity to get to know ECI and how it can be a great resource for you and your company. Marion County ECI meetings are sponsored by the PACE Alliance, Marion County Development Commission and Iowa Workforce Development.

Attention Childcare Providers!

In recent months, Positively Pella has seen a substantial increase in the amount of families searching for in-home childcare providers for their children. In order to help these families out, we send out an e-mail on their behalf to a confidential provider list so that the providers can connect with the family if they have openings. To prevent providers from being overwhelmed with calls, we do not give out that list or any provider contact information. If the provider does not have any openings, they can simply delete the e-mail. If you are a provider and would like to be added to the e-mail list, please contact lyndsey@pella.org or call 641-628-2626.

Upcoming Visitor Groups in April:

- Apr 19: “Chix on Tour” [30ppl]

ILLNESS CAN SHAKE UP YOUR WORLD IN A WAY LITTLE ELSE CAN

PRECISION PULLEY AND IDLER

Over the past few months we have had many office staff and factory employees caring about us. They have surrounded Greg with positive thoughts, concerns, visits, phone calls, luncheons and most of all prayer.

Thank you as a company from the bottom of our hearts. PPI is a company where you begin as a team member and the team becomes a family. Greg is so grateful to be a part of this family.

We truly felt the power of prayer and we thank our Heavenly Father for His healing mercies.

May God richly bless each of you.
